

Are you a Data Analyst Employer?

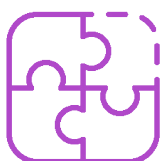

Hire candidates who have undergone an intense 10-week Skills Bootcamp in Data Analytics, delivered by industry experts.

Our candidates come from diverse backgrounds and include those that are underrepresented in the sector.

Gain access to a large talent pool of candidates, who have a wide range of transferable skills, experiences and accreditations.

Onboarded Employers have involvement in content creation for future course.

Email us: Employer@we-are-digital.co.uk

We are on a mission to partner with employers who are recruiting or due to publish Data Analyst vacancies.

Our candidates have completed our highly sought after **Skills Bootcamps in Data Analytics**, funded by **Greater Manchester Combined Authority**, and are searching for jobs which will give them the push they need to kickstart their career as a Data Analyst.

Our diverse candidates have a variety of acquired skills as well as previous experience to transfer into a Data Analyst role. So whether you are recruiting for an entry-level or senior-level position, our candidates will be the right fit for your team.
